

Feedback from Days of Prayer 28th & 29th January 2010

Many thanks to all those who prayed over these 2 days. During that time, both in the prayer meetings that were organised and in individual prayer both at the church and elsewhere, a number of things were shared. The purpose of this sheet is simply to summarise some of what we felt were the key things that God was saying that applied to the church as a whole, so that we can all benefit from them, weigh them where appropriate and respond to them. Inevitably what follows is a summary of what was shared and lacks some of the detail that came out at the time.

- Picture of ship setting sails to catch the wind (see Isaiah 33v23); need for teamwork to ready ship for wind, and movement once wind blew. Need for WCF to be similarly ready for the wind of the Holy Spirit
- Picture of motorbike/car, well maintained, cleaned, serviced, but kept in garage and not going anywhere. Lots of potential but not being fulfilled. Need as church to fulfil purpose for which we exist.
- 1 Corinthians 3 – foundation has been laid in WCF's history, need to ensure that whatever is built on that is with the best materials
- Sound of flock of parrots flying overhead – they co-exist with other birds through not in natural environment; should be like that as God's people, living in world yet standing out from it
- Plant where some leaves have fallen and dried up but new fresh green growth – picture of the church
- "Suffer the little children to come to me" ...re: Brownie group?
- Philippians 2 v 13-16; shining like stars, God is at work in us..
- Acts 4:32 ff
- Psalm 139:23-24

Please continue to pray for WCF as we go forward, and use some of these as the basis of your prayers.
